**Re: United States v. Nigel Francis  
22 Cr 491 (NSR)**

**SO ORDERED:**

  
HON. NELSON S. ROMAN  
UNITED STATES DISTRICT JUDGE

Dear Judge Roman:

I represent Nigel Francis, the defendant in this case. I write requesting that the Court issue an Order so that Nigel's treating psychologist can provide me with a letter detailing his diagnosis and treatment of the defendant which I will provide the Court in aid of sentencing.

For nearly two years, Nigel has been treated by Dr. Richard Kessler to whom he was referred by Pre-Trial Services (PTS).<sup>1</sup> Dr. Kessler has advised me that he would gladly provide me with the requested letter, but because Nigel was referred to him through PTS, Dr. Kessler would prefer it if the Court directed him to provide counsel with the requested letter.

Accordingly, I respectfully request that the Court "So Order" this letter directing Dr. Kessler to provide me with the requested information, which would be extremely useful in aid of sentencing.

Thank you for your attention to and consideration in this matter.

Respectfully,

*Daniel S. Parker*

Daniel S. Parker

Cc: N. Francis

<sup>1</sup> Mr. Francis has previously executed a HIPAA release form allowing his Dr. Kessler to communicate with counsel which has occurred on multiple occasions.
